QUALITY MAKES THE DIFFERENCE

NEW PARTS

### The advantages BVS has to offer:

- ✓ Availability of new parts for all manufacturers
- ✓ 24-month warranty\*
- ✓ Range of discontinued and legacy assemblies as new parts
- ✓ Warehouse with over 100,000 assemblies available directly on site
- ✓ Regular promotional offers with unbeatable price benefits

### New parts

In addition to our services, our range does not just include **reconditioned replacement assemblies** but also new parts from all leading manufacturers, including **Siemens, unipo®, FANUC, Bosch Rexroth/Indramat, Heller, Heidenhain, SEW, Lenze, Kuka and ABB.**

Our large inventory, that also includes new parts, and our close **collaboration** with **manufacturers** enables us to react quickly.

We offer you **attractive conditions** at prices below those of the manufacturers. Of course, you will receive a **24-month warranty\*** on new parts. You will also find legacy assemblies and ones that have already been discontinued by the manufacturer available as new products

from our range. Many of them can also be exchanged for faulty assemblies, thus saving you **money**. Furthermore, your machine is instantly ready for operation again.

With our **express courier service** and our **express air freight service** we can guarantee the fastest possible same day delivery of assemblies from our warehouse **around the clock** as part of our **24/7 availability**. As part of regular **promotional offers**, we will always provide you with the latest revision status of the products supplied as new parts with **exclusive discounts** at unbeatably reduced prices some of which will be much lower than the manufacturer's list price.

We are available to answer your questions around the clock.
