

**The advantages  
 BVS has to offer:**

- ✓ Cross-manufacturer availability and 24/7 availability of reconditioned replacement parts
- ✓ Ultra-fast availability via express courier service and express air freight service
- ✓ Range of discontinued and legacy assemblies
- ✓ Up to 50 % savings compared to new parts
- ✓ 24-month warranty\* on the complete assembly

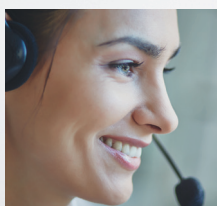

**Exchange – when speed is of the essence**

Over 1,000,000 assemblies available 24/7

For customers who need a **functioning assembly** quickly, we offer our **assembly exchange service**.

If you request a **exchange assembly**, we will send you a **reconditioned replacement assembly** from our warehouse on the same day. In exchange, you then simply return your faulty assembly, including an error description, to BVS within eight days. This will save you up to **50 %** in comparison to the new part price and you will also benefit from the availability for all manufacturers in our extensive warehouse. Every exchange assembly in our warehouse has been reconditioned in accordance with the Machinery Directive.

For this reason, we offer a **24-month warranty\*** on our fully reconditioned exchange assemblies. Our **24/7 emergency service** ensures that you will receive these assemblies around the clock, so that in an emergency your machine can even be placed back into operation during the night.

Available for you around the clock
