

Your advantages with BVS:

- ✔ Cross-manufacturer availability of new parts
- ✔ 24-month warranty*
- ✔ Offer of already discontinued and type-coated assemblies as new parts
- ✔ Over 1,000,000 assemblies available 24/7 available
- ✔ Regular promotional campaigns with unbeatable price advantages

New parts

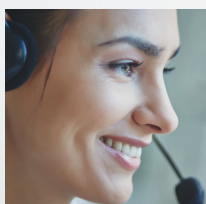

In addition to our services, you will not only find **product-refurbished replacement assemblies** in our range, but also **new parts** from all leading manufacturers, such as **Siemens, unipo®, FANUC, Bosch Rexroth/Indramat, Heller, Heidenhain, SEW-EURODRIVE, Lenze, Kuka** and **ABB**.

Thanks to our large stock, including new parts, and our close **cooperation** with the **manufacturers**, we are able to react as quickly as possible. You also benefit from our **exclusive access** to remaining **stocks of new parts** from the **manufacturers**, which you would otherwise no longer be able to obtain officially.

We offer you **attractive conditions** below the manufacturer's price level. It goes without saying that you receive a **24-month warranty*** on new parts. You will also find assemblies that have

already been discontinued or even discontinued by the manufacturer as new parts in our range. We can even offer you many of them in exchange for your defective assembly, saving you money. What's more, your machine will be ready for use again immediately.

Thanks to our **express courier service** and our **express air freight service**, we can offer you the fastest possible delivery of stocked assemblies on the same day and **around the clock** as part of our **24/7 availability**. As part of regular **promotional campaigns**, we always offer you the latest revision status of the products as new parts with **exclusive discounts** at unbeatable prices, in some cases far below the

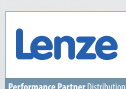

Available for you around the clock
