

Fully reconditioned replacement parts

You have access to over 1,000,000 assemblies around the clock - 24/7. This enables us to offer you impressive **manufacturer-independent availability** of both discontinued, obsolete and current assemblies. Thanks to the preventive measures carried out as part of our **product overhaul** as well as extensive **functional and final tests**, we can not only offer you a **24-month warranty*** on the complete replacement assembly, but also ensure a **machine directive-compliant assembly in accordance with 2006/42/EC**. In this way, we guarantee a sustainable, smooth and, above all, safe production process for man and machine.

Thanks to our **express courier service** and our new **express air freight service**, we can guarantee you the fastest possible delivery **around the clock** as part of our 24/7 availability.
